Financial Report 11 Oct 23- 10 Oct 24 (Paul Stratton & Geraldine O'Connell)	Paul provided an overview of the income and expenditure for the year. He also addressed the ongoing banking situation, noting the challenges faced in maintaining an account with Barclays. He explained that the organisation currently holds an account with HSBC Bank. Additionally, the meeting included a discussion on the annual allocation of £200 from funds raised through the Quiz Night, which will be donated to the Music Trust and in the process of transitioning to the Co-operative bank. Geraldine gave an overview of how funds are raised, highlighting key sources such as events, EasyFundraising, and Queen's Park Books. She also mentioned that each event would now have a specific fundraising purpose. For example, proceeds from the Winter Run will be allocated towards purchasing books for the infant school and it will cover some of the Orchard Fund every year.

Regarding the Easter Fair, Mike Cleary shared feedback that some teachers were not enthusiastic about the event, partly due to not receiving last year's funds and concerns over managing the children.
