Apologies:	Hannah Cripps, Alice McLean, Charlotte Barroso, Anna Smith

Item	Discussion
Introductions	The meeting was opened by welcoming everyone to the meeting.
Chair Report	The AGM is an opportunity to reflect on achievements, thank everyone involved, and look ahead. The PSFA have clear objectives to follow. These are to advance the education of pupils in the school in particular by: • Developing effective relationships between the staff, parents and others associated with the school; • Engaging in activities or providing facilities or equipment which support the school and advance the education of the pupils. It's been another wonderful year for the Malorees community, with a mix of fun, fitness, and fundraising events bringing families together. All together we've had 13 community events. • QP Day – Sept 15 – great start to the year. • Autumn Social – Oct 11 – lovely community evening. • Quiz Night – Nov 8 – always a big hit! • Malorees Lights & Winter Market – Nov 30 – magical and festive. • Malorees Soiree – Mar 28 – wonderful children showing off their creative skills. • London Winter 10k, Tough Mudder, Blenheim Triathlon – huge thanks to parents, children & staff who took on these challenges. • Easter Fair – Apr 4 – another great turnout.

Chair Report *(continued…)*	• International Day – Jun 13 – wonderful celebration of culture and community. • Summer Fair – Jun 21 – big community highlight. • Music Concert – Jul 8 – lovely end-of-year showcase. • Premier League Trophy visit – Jul 9 – unforgettable for the children! Not everything the PSFA does is about fundraising. We try to always put community first to bring everyone together. PSFA have not been able to give clear fundraising aims. With the amalgamation and the new build, we are limited to what we can do. However, we still continue to fundraise so we have the money available for when it can be utilised. One project we are funding for is the renovation of the orchard pond where there are currently newts. Ms Barroso has informed us that under the conservation of habitats and species regulation of 2017, newts are protected. If we build a purposeful pond with protective layers and spaces for newts to hide they will be protected. This helps protect the space for future protection of the land. A big thank you to everyone that has helped, supported the PSFA in any way over the past year. Every little bit helps. We are always open to extra support, comments, feedback and suggestions - the good and the bad. Feel free to approach us in the playground or email us directly. maloreespsfa.enquiries@gmail.com.
Financial Report 11 Oct 24- 10 Oct 25	Paul provided an overview of the income and expenditure for the year.
